

PTO Meeting Minutes 01/21/16

1. Pacers Update – A survey was sent to the school and will be forwarded to the families who provided email addresses. This is offering an opportunity to win a rental suite for a regular season game for 2016/17. We are currently waiting on the fundraising check from School Night Out, however this was not the main intention of the Pacer's event.
2. Mr. Davis says most children have finished their pictures for Art to remember. Those will be mailed to the Art to Remember Company by Feb. 12th.
3. The Frisbee golf course ran into some logistical issues and will be tabled.
4. The rock wall for gym class was discussed, including possible safety issues. Mr. Riffle had an opportunity to share a similar structure with his children at The Park in Zionsville. He shares that they enjoyed the opportunity to try their climbing skills. Mr. Carpenter will check on warranties. Liability Insurance should not be any additional cost.
5. Heart monitors for gym class were discussed. The rock wall would possibly be more widely used by K-6.
6. The budget was reviewed. The grade level staff is encouraged to use their \$100 allotment. The staff is also encouraged to bring special projects to the PTO for possible funding. Please fill out an application.
7. Rise and Roll Fundraiser will be repeated at Easter-time. Mr. Riffle spoke to Rise N Roll. They have committed to not doing fundraisers the week prior to holidays. They were thrilled with the turnout for our fundraiser. Jolene will contact them to solidify the date for this spring. Donuts for Dads provided some very positive feedback on the Rise N Roll fundraiser.
8. Two new microwaves were purchased for the staff lounge.
9. The Fun Fair will be moved due to ISTEP testing. March 24th will be the new date. Casi discusses the changes to the layout. Some events will be moved to the library.
