Triton Elementary Newsnote

A Note from the Principal

What an outstanding week it was at Triton Elementary. The Christmas excitement is definitely in the air. Festivities were culminated today with an all school sing that was sure to prepare everyone for a well-deserved Christmas Break. May each of you have a wonderful Christmas Holiday with your friends and family.

Congratulations to the December Trojan P.R.I.D.E. t-shirt winners as well as the P.E. Student of the Month winners. Triton Elementary Students have responded well to the positive systems within our school. This month, in only three short weeks, there were nearly 240 Trojan P.R.I.D.E. tickets written for acts of Personal Responsibility, Respect, Integrity, and Determination. These attributes are noble characteristic to live by to assure we continue to model our expectations on a daily basis.

I want to thank students, parents and teachers for their gracious giving this Christmas season. Many families, community members and organizations gave to the various programs in our community to ensure that Triton Families were taken care of during this Holiday season.

Thank you also for the positive responses I have received from the high school administrators about the students of Triton Elementary walking and following procedures during the high school basketball games. Your efforts and willingness to do what is asked of you has not gone unnoticed.

Please continue to assure students are dressed properly for the much colder weather we have been experiencing. It is our desire to allow students to get outside every chance we get, but we do not want them to risk getting sick because they do not have the proper attire.
