Deliver order to Wakarusa Dime Store 03/23/2020

Product delivered to Triton Elementary 04/06/2020

Parent pick up at Triton Elementary 04/08/2020 Tentative

Treasurer Position

New treasurers elected were Angel Balsley and Christine Cook. Christine has contacted Jolene Howard to begin process of transferring the names on the account. The account will remain at Lake City Bank per PTO decision. Thank you to Lisa Lemler for serving as treasurer since August.

Fun Fair

The date is April 30th. Tabettha Lisek is the overall coordinator and gave her report. Karen McFarland is getting volunteers and face paint for the face painting station. Colby Bounce will be delivering and setting up and also tearing down the inflatables. NHS students are being asked to volunteer to oversee the inflatables. Melissa LaShure will be the adult staff member in charge of this station. June will be running concessions. Kim Bilinski is working on getting pop donations for the ring toss. Samantha Phenix is in charge of organizing the Basket Raffle. Brian will be bringing the putting greens over to the gym and Steve Lisek will be the adult in charge of the student volunteers at this station. We will once again be selling wrist bands ahead of the event and sending them home with students. Lili Chapman was unable to attend, but suggested a raffle to win a ride in the new police Hummer or a fire truck with the police chief and/ or fire chief. It is suggested that the raffle be for one student per ticket, not for a household because we don't know how many seats are available in the Hummer. It is suggested that one student be drawn from the primary wing and one from the intermediate wing. The slips of paper for the raffle for each wing of the building should be different colors to differentiate.
