

PTO Meeting – October 14, 2019

Drive for your school – Mr. Riffle came to share information about this fundraiser. 1st time we tried it, it was very profitable. The second time we did Drive for your School we only earned \$300 approximately for our corporation. It seems like a lot of work for limited return. PTO opted out of doing Drive for your School for now.

The financial statement was reviewed.

The PTO agreed to provide a meal for the elementary **Teacher Professional Development Day on January 6**. Jessica checked with Marcile, but she is not available on that date. We will need to discuss further at the November meeting.

Amazon Smile - When using Amazon Smile, you must type out Triton Parent Teacher Organization. Christine will add this information to the Newsnotes, Facebook, Webpage, any other social media she sees fit. Samantha will check if Prime works with Smile. More details to come at the next meeting. A half percent of eligible purchases through Amazon Smile can go to Triton PTO if customers choose that charity.

Art to Remember - Orders have been submitted.

Rentown Christmas Bread - Jessica will order and pick up. Lily will help Jessica deliver the bread to the teachers on December 19. Lisa to provide a check for the bread at the November meeting.

The **website** has been updated with new PTO information.

Mindful Parenting - The dates have been set for November and December and the families who will be invited have been narrowed down. Notes will be sent to the families who are invited to participate. A meal and childcare for the meetings were discussed.

Popcorn fundraiser - Karen provided samples from Popcornopolis and discussed this as an option for future fundraising. The PTO discussed doing this every other year, alternating with Wakarusa Dime Store, or Rise N Roll.

Wakarusa Dime Store Jelly Beans - Jessica discussed information about selling jelly beans in the spring, leading up to Valentine's Day or Easter. She will check on available dates for delivery.

Next PTO Meeting will be on Nov. 11 at 3:30 in the elementary library.
