

PTO Meeting – December 9, 2019

Treasurer's report - finances were reviewed.

Old Business:

Amazon Smile - a direct link to Triton PTO's fundraiser is <https://smile.amazon.com/ch/31-1084662>

This information will be shared with parents in the newsnotes or through a flier.

Bread from Rentown - the order was placed and a check was provided by the treasurer. Bread will be picked up on the evening of 12/18 and delivered the morning of 12/19.

Website update - the webpage is up to date. Shaklee information was removed, but will be reinstated with Kim Wagoner's and Tammy Kennedy's contact information.

Mindful Parenting - This program is off to a successful start. Funds from the PTO were not needed, as they were able to pay for food and materials through grants and other avenues.

January 6th meal - The corporation will be sponsoring the meal at the elementary school cafeteria and will not need PTO funds to provide lunch.

Shaklee - Kim Wagoner and Tammy Kennedy offered a presentation on the Shaklee fundraising link on the webpage. We are not charged for this account, nor are we responsible to distribute the products ordered. We only need to promote it in order to receive orders, which generate funds for our organization. Kim also discussed the Prove it Challenge that will begin after we come back to school from break (possibly early February). Kim or Tammy will be on hand at a later date to discuss the Shaklee package that goes along with the challenge and the meetings that we can participate in whether we purchase the package, or not. Joining the challenge will have a \$25 fee associated with it. For every package sold the Shaklee representatives will donate \$25 to the Triton PTO.

Wakarusa Dime Store - Dates for the upcoming fundraiser were discussed.

Order sheets will go home with students by March 3rd
