

Triton Elementary PTO

Meeting Minutes

December 14, 2020

Present: Joel Harman, Christine Cook, Melissa LaShure, Tabettha Lisek

Treasurer's Report was presented by Joel Harman. Current balance is \$7,558.53. Recent expenditures included a donation to a needy family, staff lunches during Parent/Teacher Conferences, and supplies for teacher appreciation gifts. Last month it was decided not to purchase bread for staff members at Christmas and to reduce amount of money for the PRIDE T-shirts.

Art to Remember: Tabettha Lisek indicated Art to Remember late orders have been delivered. Online ordering is still possible but will be closed down sometime in January.

Amazon Smile: A small amount of funding continues to be raised through Smile.Amazon.com thanks to patrons who have made PTO their charitable contribution.

Fundraiser: We tabled discussion of the Wakarusa Dime Store fundraiser for spring since Jessica Firestone was not present. Joel will contact her to see what she found out regarding dates for ordering and distribution that we discussed last month.

Fun Fair: As this event is often held in late April, it seems unlikely that a large gathering of over 300 people would be allowed or even advisable. We discussed whether we could do a basket auction and sell tickets virtually in order to raise funds. If we don't continue with fundraisers of some kind, the budget for next year will have to be reduced significantly. However, we also want to find a safe way to provide something fun or educational for students. The Fun Fair meets both of those goals but may not be feasible again this year.

Meetings for 2021: The following dates were set for meetings in 2021.

January 11

February 8

March 8

April 12

May 10
