

## **Triton PTO Minutes February 10, 2020**

### **Old Business:**

**Wakarusa Dime Store Jelly Bean Fundraiser** – Mrs Firestone emailed the store updates and also asked if we print the forms or if they do.

**Shaklee** – have earned \$25 so far and they are going to come in to talk

**Rise N Roll** – holding off on this fundraiser to see where the others put us. They changed parameters and sent the changes in an email. The prices have increased, the items have been reduced. There is also a delivery fee regardless of the amount sold. This may be worth look at in the fall. Butter Braids was also brought up as another option.

**Other Old Business** – none

### **New Business:**

**Fun Fair** – Some dates were talked about. The two choices talked about were April 30<sup>th</sup> or May 7<sup>th</sup>. Joel is going to contact Tabitha and see if she is willing to coordinate. Mrs Cook sent out an email asking the teachers if they would like to help and if so what they are interested in helping with. This will be sent on to Tabitha.

**Treasurer** – A treasurer is needed. No one has expressed any interest. This was tabled.

**Other New Business** – Chris from “Mattress Biz” came to the meeting. He offered information but since he was not on the agenda it was asked that he email information to Joel and he can be placed on the Agenda in the future.

Next meeting March 9th
