From the Principal

Dear Families,
On behalf of our PTO, I want to thank you for the tremendous response to the Wakarusa Dime Store Fundraiser. Students and their families sold over \$12,000 worth of jelly beans and other sweet treats! That's A LOT of candy! Next week we will award the students who sold \$100, \$250, and \$500 worth of products with gift certificates to *The Standard*, *Subway*, and *Bourbon Street Pizza*. The top seller will receive a \$20 gift card to Walmart. **Please help us by making plans to pick up your orders on Wednesday, March 31, 4:30-6:30pm, at Door 1 of Triton Elementary.** Thank you for making this a very successful endeavor and for supporting our PTO. Enjoy your treats!

Spring Break Activities for the Whole Family

Play outdoor games- Get outside in the fresh air and sunshine to play active games. Now that the days are longer and the temperature is finally beginning to warm up, classic outdoor games like Red Light, Green Light and Freeze Tag will give kids needed exercise. It's a nice break from organized sports and you can play along with the kids to burn some extra calories yourself.

Have a fun family picnic- What better way to spend a beautiful warm day outside than to go on a fun family picnic? Check for a park where you can walk or hike before or after your picnic meal. Pack a basket with healthy picnic food that is safe at room temperature or bring the food in a cooler. Tote along with some games and toys. After a memorable day together, your kids will be so exhausted that they'll probably go to bed without much ado.

Explore Spring Crafts- It's good to have some indoor activities in mind in case the weather is still unsettled. Check whether crafts classes are available, especially those you can enjoy with your child. You can learn new skills and create something together. If you already enjoy a craft such as knitting, quilting, or pottery, plan some time on a new project with your child.
