### From the Principal

Dear Families,  
ILEARN administration is now complete with only a few students left to make up assessments due to absences. Thank you, parents, for encouraging your child and getting him/her to school each day. Staff did an outstanding job of administering tests with fidelity, and students gave their best effort, showing responsibility and determination. Other end-of-year assessments are still being completed so we can measure how far students have come since August. Results will be shared with families soon.  
With PRIDE,

*Mrs. Cook*

### Student Placement Concerns

If you have concerns about your child's class placement for 2021-22, please call the office to speak with Mrs. Cook or Mr. VanHouten or complete a form found on the Parents tab on the school website. Deadline is May 21<sup>st</sup>.

### Celebrate Mother's Day

There's no doubt that mothers are important figures in our lives. They teach us, guide us, influence us and cheer us on. So this Mother's Day let us find ways to encourage these amazing role models.

Here are some ideas:

1. Make cards! Be creative using construction paper, crayons, colored pencils, scissors, stickers, glitter and anything else you can think of to make the cards colorful and fun!
2. Write a Poem. Poetry writing is a wonderful way for you to show you care for, appreciate, or admire someone.
3. Creative Couponing-You can create a booklet of coupons where you promise to give back or do something nice for those who care about you. An example of a great coupon is: "One night I'll help you make dinner."

### Box Tops Help Purchase Books

Free books for students are made possible with the money earned from Box Tops. You can still support our school's Box Top account by scanning your receipt to the Box Top app and choosing Triton Elementary School. Thank you so much for your support to make this possible.

### Masks and Face Coverings

Governor Holcomb has recommended students and staff in K-12 schools continue wearing masks through the end of the school year. While we are all anxious for this requirement to end, coupled with other safety measures, we have been able to remain in person since August! Lately a number of students have been coming to school without masks. Our office supplies reusable masks daily when needed, but please wash and wear them again so we are not wasting resources. Thank you!
