## Finishing Strong

It's that time of year that our thoughts naturally turn to the promise of summer fun, sunshine, swimming, baseball, bike riding, popsicles, staying up later, and no homework! During this transition, it's easy to get overly excited by study trips and special projects and forget that we still need to remain focused. Behavioral expectations are the same today as they were in August. Please encourage your child to finish the year strong and demonstrate Personal Responsibility, Respect, Integrity, Determination, and Enthusiasm....everyday....all day long. Special activities are so much more fun when everyone listens and follows expectations.

## Pushcarts are Coming!

Many of our sixth graders have been reading *The Pushcart War* by Jean Merrill and are creating small businesses that will be open for business **on May 19** at the Matchett Center. Students can bring their dimes and quarters to spend playing games and purchasing tasty treats and beverages during their lunch recess. These student-operated businesses will be competing to see which business can earn the most profits while giving our students practice in buying, selling, and counting money! Please send any money in a baggie or envelope with your child's name on it.
