A Note from the Principal

Dear Families,
This year is the first time Triton has had a viable plan for E-learning in place. All students in grades K-6 have devices that can be sent home and used to access instruction and assignments in case of a weather-related event. Most students are becoming very proficient at navigating Google Classroom and educational websites. Due to COVID, we also have been granted a waiver for this year only which allows us flexibility to count the *minutes* we are in session instead of *days*. This means that we may not need to "make up" every snow day with E-learning. Right now, Tuesday's cancellation will not be made up. However, additional weather disruptions may be made up using a designated E-learning Saturday. Details will be communicated clearly when E-learning will take place. Thank you for your understanding as we take this new step together!

Carnations for \$1.00

Next Friday, Feb. 5th, is the last day to turn in orders for carnations. The Triton PTO is taking orders for assorted red, pink, and white carnations that will be delivered to classrooms on February 12, just in time for Valentine's Day. All money must be sent with the order form.

SCHOOL NOT IN SESSION FRIDAY, January 29

Triton PTO Fundraiser

The PTO is planning a spring fundraiser just in time for Easter! They will be partnering with Wakarusa Dime Store to bring back the Jumbo Jelly Beans, Chocolate Covered Cherries, Jumbo Malt Balls, and other sweet confections! Order forms will be sent home with students in late February, and items will be available to pick up prior to Easter. We hope you will plan to participate in selling to family and friends or just treat yourself.
