### From the Principal

Dear Families,  
I can't believe it's May! We've nearly made it to the end of the school year, and we're making plans for 2021-22! If you have concerns about your child's placement for next year, *this is the time to share those concerns*. You may make an appointment to speak in person or on the phone with Mrs. Cook or Mr. Van Houten, and we will discuss your concerns together. The other option is to complete the **Student Placement Concerns** form found on our website under the Parents tab. Forms will only be accepted through May 21<sup>st</sup>, so don't delay!

With PRIDE,

Mrs. Cook

### Teacher Appreciation Week

Next week schools across the U.S. will celebrate **Teacher Appreciation Week**, and Triton Elementary will join in to show our teachers how much we value their daily efforts. Many are here early, stay late, and carry home work as well! They plan special events, attend countless meetings and trainings, and purchase things for their students and classrooms. Most of all, they care for their students and want them to be successful. Please consider taking a moment to drop an email or text or handwritten note to show your appreciation!
