From the Principal

Dear Families,
What a fantastic day students had at Push Carts today! Sixth graders got to experience the ups and downs and ins and outs of running a business, and the rest of us were able to shop, play games, and enjoy tasty treats. The Triton Elementary PTO would like your input about future projects/purchases that would benefit our students. If you have an idea for a larger project that the PTO could fund, we'd like to hear about it! Click on the link on the PTO page of the school website to enter your idea. If you don't have access to a computer, email me at ccook@triton.k12.in.us. We would love to hear your ideas.
With PRIDE,

Mrs. Cook

All School Field Day 2021

Wednesday, June 2nd, K-6 students will be participating in outdoor games in our annual All School Field Day! Grades 3-6 will compete in the morning while Grades K-2 will compete in the afternoon. Each homeroom will be part of one of three larger color "teams" who will vie for first place. Of course we are all winners when we cooperate and have fun together. Our normal staff will run the events instead of community volunteers so we can follow this year's health protocols. Each child will receive a Field Day T-shirt to wear as they compete. We are truly grateful to our generous sponsors listed below.
