Note from the Principal

Dear Families:

Next week students will be bringing home information about the upcoming Walk-A-Thon. In 2019 students collected over \$11,000 in donations! IN 2020 we paused the fundraising effort but students still competed for most laps, and winners in each class received prizes. This year we hope to raise funds once again to offset costs of PRIDE T-shirts, incentives, and other student activities. Students will be walking/running laps on the track during their PE class the week of Sep. 27-30. Please consider donating to this event. Watch for the flyer and donation form that will be sent home with each student on Monday. However, more importantly, students have the opportunity to combine fun and fitness with healthy competition! Make sure your child wears appropriate shoes and comfortable clothing.

Thank you for your support!

Important School Menu Update

Last minute menu changes are occurring frequently and are out of our control due to the nationwide food supply chain issues. Our printed and online menus may not reflect these changes. Until further notice, we will not be serving choices for the main entrée. We appreciate your patience and understanding during this time. If you have any questions regarding your school's menu, please contact the cafeteria manager.

Art to Remember

Students have been busy creating original artwork as part of Art to Remember. Family and friends may purchase keepsake products customized with their child's art. Soon families will receive a personalized order form with over 50 keepsake products to choose from! A percentage of every order goes right back to our school. Order forms will go home on October 6, 2021. Products will be delivered the first week of November in plenty of time for Christmas! Thank you for supporting our young artists.
