Triton Summer League Baseball and Softball

The 2020 little league season is fast approaching and we are eager to have another great summer of baseball/softball. Just a few reminders about the season. T-ball players need to be age 5 by May 31st (No Exception). **Due to insurance liability, birth certificates may be required if the age of the child is in question.** We will also be sticking to the required age category for each league. Finally, team rosters-the coach's children will be assigned to their team. However, no requests will be taken by parents/coaches to be placed on a particular team. This will hopefully allow teams to be divided more evenly.

Both softball and baseball games will be played on Tuesday and Thursday evenings beginning late May. We are hoping to play one night game on either a Friday or Saturday for the major and minor teams. Practices will start mid-April and will be scheduled by the coaches. All registration forms and money must be turned in by **MARCH 10TH, 2023**. **No late registrations will be accepted. Please follow our page "Triton Summer League Baseball" for further information and updates on the up-coming season.**
