Note from the Principal

Dear Parents:

I'd like to take a moment to introduce you to new staff members at Triton Elementary. You may have seen their pictures on the Triton Facebook page or may have heard your child mention their names. We are excited to welcome them to our family and are pleased they have chosen Triton as their home.

Mrs. Kim Kelley is our new preschool teacher. She has taught Kindergarten for fifteen years. She loves to read and travel and has visited all 50 states!

Miss Victoria Hughes is teaching first grade, and this is her first year of teaching. She loves flamingos, jigsaw puzzles, and learning about other cultures.

Miss Hannah Snyder is part of our sixth grade staff. She graduated from Goshen College and is excited about her first year of teaching. In her free time, she enjoys reading, baking, and swimming.

Mrs. Christen Ritchison is teaching Kindergarten at Triton. She is a Triton graduate and has a daughter in her first year of college and a son in 7th grade. She and her family attend The Country Church.

I am excited about the impact these individuals will make on Triton students and ask that you support them as they adjust to the challenges of new roles.

Stay tuned next week when we will spotlight additional new staff members.

Have a great weekend,

Mrs. Cook
