### From the Principal

Dear Families,  
 We have a shorter but busy week ahead. Students in grades 3-6 will begin ILEARN starting with Math assessments. The schedule is listed below. **Please make sure students arrive at school on time so that testing can begin smoothly.** On Thursday students and staff will learn about how we can impact our community by participating in Triton Gives Back. Everyone will surely be glad by the time Friday comes around so we can enjoy an extra long weekend! Enjoy the beautiful colors of spring.

*Mrs. Cook*

<b>May 5</b>	Science Gr. 4 8:30-9:20 Science Gr. 6 10:10-11:00

Whether you call them secretaries, administrative professionals, office staff, or angels, we **LOVE** our school secretaries! Commonly referred to as the A-Team, **Mrs. Angie Williamson and Mrs. Ashley Doll** consistently do the work of eight people—assisting parents, students, and staff, answering phones, giving door access, filing reports, covering recess duties, attending to injuries, and much more – always with a smile. Join us in showing your appreciation for all they do on Wednesday, April 21<sup>st</sup>.

### Attention 5<sup>th</sup> grade Parents!

McMillen Center for Healthy Education will be here on Monday, April 26<sup>th</sup> at 1:15 p.m. presenting Bodies in Progress. McMillen Center staff will present information regarding female and male changes during puberty. The topics include emotional and physical changes, hygiene, conception and the benefits of abstinence. Participation in this program promotes positive self-image and reinforces that the changes of puberty are normal. The presentation will take place in separate rooms for girls and boys. Please complete the permission slip and return them to the school. This year's program will be presented virtually via Zoom. Parents may attend via Zoom by selecting the option on the permission slip.

### Triton Gives Back

Our 2nd Annual Triton Gives Back event will take place on April 22nd from 9-11 AM. Students from preschool-12th grade and staff will be participating in community service to give back to our community! Everything from law enforcement appreciation to supporting our local animal shelters and making fleece blankets for residents in nursing homes will fill the morning. Students will have an opportunity to serve alongside their peers and also with students from the junior/senior high school. Our hope is that this event will inspire our students to create a culture of meaningful service that puts others before self, while answering a call to action in our community with Trojan Pride, the Trojan Way. Thanks to sponsors this year, all students will be receiving a Triton Gives Back shirt to wear on Triton Gives Back Day!

### History of Earth Day, April 22

Our planet is an amazing place, but it needs our help to **THRIVE!** That's why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we're making our world a happier, healthier place to live.
