

January 10, 2022

PTO Meeting

Present: Joel Harman, Beth Linvill, Christine Cook

Treasurer's Report: Angel was ill, so Joel reported we have \$8600 in our account with all bills being paid at this time. Christine submitted a check for deposit from Art to Remember for \$731.00.

Book Distribution: The PTO donated money in December for purchasing books for all PK-6 students. Denise Shafer ordered books using PTO funds and RIF monies. They should come in sometime in January. PTO will be needing some volunteers to help unpack, sort, and prepare books so that students can select their own book to take home. Date to be determined.

Carnation Sales: A decision was made last month to sell carnations to students once again at Valentine's Day. Joel has ordered 680 from Cashen Creek. We hope to get order forms out next week which will be due Feb. 7. Distribution will be February 14. A few volunteers will be needed to assist in compiling orders and preparing flowers for delivery. Carnations will be sold for \$1.50. Our cost is .60 each.

Wakarusa Dime Store Fundraiser: At the December meeting, the PTO decided to sell candies from Wakarusa Dime Store in time for Easter Delivery. Joel has made initial contact and is waiting for a call back. The goal is to deliver goods in time for Easter.

Next Meeting: February 14, 2022 3:30pm

The goal is to set dates for spring fundraiser and decide on which products to sell.
