ILEARN Administration

Our annual ILEARN administration continues as students in grades 3-6 work hard to show how well they have mastered state standards in math, language arts, science and social studies. In general, Grades 3 and 4 test at 8:30-9:15 each day, and Grades 5 and 6 test at 10:10-11:00. We try to limit testing each day to reduce fatigue. Our schedule is as follows with make-up testing scheduled throughout for those who may have missed sessions.

Apr. 25	Math CAT
Apr. 26	Math CAT continued
Apr. 27	Math Performance Task
May 2	Science CAT (4,6) Social Studies (5)
May 3	Science CAT (4,6) Social Studies (5)
May 4	Science Performance Task (4,6)

Continue to encourage your child to do his/her best, and please make sure students are well rested and at school on time so they may start testing with their peers.

We Love Nurse Newman and Nurse Mulligan!

National Nurses' Week is an annual celebration of nurses worldwide for the work they do for others. The week allows people the chance to acknowledge the nurses in their lives. It also provides an opportunity to thank nurses within the industry as a whole for the work they've done. **May 11 is National School Nurse Day.** Please take time to thank our nurses by sending a card or tell them how much you appreciate all they do for our school.

Teacher Appreciation Week May 2-6

Let's Celebrate!

Thank you for all the
 Hours you spend,
 Attention you give,
 Needs that you tend,
 Knowledge you pass on,
 Your special touch,
 Offering guidance,
 Undaunted by much,
 Time you spend planning,
 Efforts you make,
 Angles to learning,
 Chances you take.
 Here's to our teachers,
 Each one a gem,
 Recognized now; we
 Salute them!

Study Trips and Chaperones

We feel fortunate to be able to once again schedule study trips for our students to experience things outside of our school walls. In order to ensure the safety of our students and adults, we will be taking chaperones in limited numbers. Being a chaperone is a big responsibility. All chaperones will need to have a background check completed and will be responsible for a small group of students and other duties as determined by the teachers. Chaperones may not bring along other guests or young children as this hinders their ability to supervise students. We appreciate your understanding and your help in making our study trips a fun and meaningful experience for everyone.
