ILEARN Administration

Our annual ILEARN administration starts next week.. Students in grades 3-6 will have the chance to show how well they have mastered state standards in math, language arts, science (Gr. 4/6) and social studies (Gr. 5). In general, Grades 3 and 4 will test at 8:30-9:15 each day and Grades 5 and 6 will test at 10:10-11:00. Some tests will continue from one day to the next. We try to limit testing each day to reduce fatigue. Our schedule is as follows:

Apr. 18	English Language Arts CAT
Apr. 19	English Language Arts CAT con't
Apr. 20	ELA Performance Task 1
Apr. 21	ELA Performance Task 2
Apr. 25	Math CAT
Apr. 26	Math CAT con't
Apr. 27	Math Performance Task

The first week in May Grades 4-6 will continue with Science while Grade 5 will test Social Studies.

Please make sure students are well rested and at school on time so they may start testing with their peers.

Easter Bunny

"Easter bunny soft and white
Hopping quickly out of sight,
Thank you for the eggs you bring
At Easter time to welcome spring.
Yellow eggs and blue and red
In the grass and flower bed
We will hunt them everywhere
Is it really you who put them there?"

A graphic featuring the words "Happy Easter!" in a stylized, cursive font. The word "Happy" is smaller and positioned above "Easter!". The letter "H" is integrated with a pair of white bunny ears.

Vision Screening

Attention: Indiana Department of Education/Health requires vision screening for grades 1st, 3rd, and 5th. We will be working with the Lions Club to complete the vision screenings in the next few weeks. If your child has any difficulty with the screening, parents will be notified so they can follow up with an eye doctor if necessary. If you **do not** want your child to participate in the vision screening, please contact Nurse Newman @ 342-2355 ext. 201.

Study Trips and Volunteers

We are feeling a little more flexibility with the decrease we have seen in COVID cases. Therefore we are allowing grade levels to plan spring study trips. In order to ensure the safety of our students and adults, we will be taking chaperones in limited numbers. All chaperones will need to have a background check completed and will be responsible for a small group of students and other duties as determined by the teachers. Chaperones may not bring along other guests or young children as this hinders their ability to supervise students. We appreciate your understanding and your help in making our study trips a fun and meaningful experience for everyone.
