### From the Principal

Dear Families,  
If you have concerns about your child's class placement for 2021-22, please call the office to speak with me or Mr. Van Houten or complete the form found on the Parents tab on the school website. The deadline for submitting forms is next Friday. Please note that all concerns will be considered, but requests for specific teachers are not guaranteed. We do work hard at this and hope you understand that there are many factors to consider when creating class rosters, and  
With PRIDE,  
*Mrs. Cook*

### PUSH CART SALES

As a culminating project based on the book "The Pushcart Wars", some of our sixth graders will be opening a pushcart stand at the Matchett Center next Friday that will be open to students during their lunch recess or another designated time. Students have been planning, purchasing, and advertising for over a month and are anxious to see the fruits of their labor. Students may bring quarters and dollars to spend on games and edible treats. Please don't send a lot of money as students only have about 15 minutes to shop!

### FIELD DAY 2021

Weather permitting, Triton Elementary will be holding our annual All School Field Day on Wednesday, June 2<sup>nd</sup>. In keeping with safety protocols established this year, we are modifying things a bit. Students will be competing by homerooms against other classrooms in the same grade. Grades 3-6 will compete in the morning while Grades K-2 will compete in the afternoon. We will use existing staff to run events instead of bringing in volunteers from the community. Thanks to our sponsors, each child will receive a Field Day T-shirt to wear that day. Please watch for more details next week. Let the games begin!

### PTO Brings SpiritWear to Triton

Triton Elementary PTO is pleased to partner with 1<sup>st</sup> Place SpiritWear. The store is "open" 24/7 all throughout the year starting now! If you want a wide selection of Triton Elementary apparel, look no further. They offer traditional, novelty, trendy, and vintage designs – including our own Trojan mascot and double-stacked T. Shopping has never been easier! Don't wait – use the link below and check it out now! A small portion of each order is returned to the PTO to support your school. So far over 100 garments have been purchased! Thank you, Triton families!

### Masks and Face Coverings

Governor Holcomb has recommended students and staff in K-12 schools continue wearing masks through the end of the school year. While we are all anxious for this requirement to end, coupled with other safety measures, we have been able to remain in person since August! Lately a number of students have been coming to school without masks. Our office supplies reusable masks daily when needed, but please wash and wear them again so we are not wasting resources. Thank you!

### Box Tops Help Purchase Books

Free books for students are made possible with the money earned from Box Tops. You can still support our school's Box Top account by scanning your receipt to the Box Top app and choosing Triton Elementary School. Thank you so much for your support to make this possible.
