Study Trips and Volunteers

We are feeling a little more flexibility with the decrease we have seen in COVID cases. Therefore we are allowing grade levels to plan spring study trips. Schools are still required to notify close contacts should we have a positive case of COVID, but we no longer have to quarantine asymptomatic students. If things should change, we will let you know. In order to ensure the safety of our students and adults, we will be taking chaperones in limited numbers. All chaperones will need to have a background check completed and will be responsible for a small group of students and other duties as determined by the teachers. Chaperones may not bring along other guests or young children as this hinders their ability to supervise students. We appreciate your understanding and your help!
