## Study Trips

It's that time of year when many grade levels travel outside the walls of Triton and take learning on the road. We are so thankful our students are able to extend their learning in this way. Kudos to our bus drivers and teachers for making this happen. Parents can help make study trips successful by serving as chaperones when needed and getting permission slips in on time. Students can help by being good listeners, following bus expectations, and representing Triton with PRIDE. We are grateful to Triton Student Life Foundation for covering the cost of these trips this year for all of our students!

## Kiwanis Kids Triathlon

On Saturday, June 7, at Centennial Park in Plymouth the Kiwanis is hosting a Triathlon for kids ages 5-12. The cost is \$25.00 per child and \$15 for each additional child in the same family. You can register at [givegrove.com/kidstriathlon](http://givegrove.com/kidstriathlon)

## Class Placement for 2025-2026

If you have concerns about your child's class placement for next year, please share your concerns by completing the Student Placement form which can be sent home with your child or downloaded from our website. Any concerns or requests must be submitted by May 19, 2025, in order to be considered. We do our best to take your concerns under consideration, but we cannot guarantee that all requests will be met. We appreciate your understanding. You may also speak with Mrs. Cook in person to share your concerns.

## I LEARN

This past week our students have worked hard and given their personal best by completing I-LEARN in English Language Arts. Next week we'll focus on Math at grades 3-6. Most testing takes place in the morning and is finished by lunch, so please try to schedule appointments in the afternoon or after school if possible. Thank you!
