## **Study Trips**

It's that time of year when many grade levels travel outside the walls of Triton and take learning on the road. We are so thankful our students are able to extend their learning in this way. Kudos to our bus drivers and teachers for making this happen. Parents can help make study trips successful by serving as chaperones when needed and getting permission slips in on time. Students can help by being good listeners, following bus expectations, and representing Triton with PRIDE. We are grateful to Triton Student Life Foundation for covering the cost of these trips this year for all of our students!

## **Class Placement for 2025-2026**

If you have concerns about your child's class placement for next year, please share your concerns by completing the Student Placement form which can be sent home with your child or downloaded from our website. Any concerns or requests must be submitted by May 19, 2025, in order to be considered. We do our best to take your concerns under consideration, but we cannot guarantee that all requests will be met. We appreciate your understanding. You may also speak with Mrs. Cook in person to share your concerns.
