Teacher Appreciation Week

Next week we recognize ALL STAFF at Triton Elementary who serve as role models, supporters, instructional coaches, encouragers, and teachers to our students. We teach by the example we set, what we do and say, and what we stand for. Please take a moment to thank a staff member next week for their commitment to the students of Triton. A smile or word is all it takes!

Study Trips

It's that time of year when many grade levels travel outside the walls of Triton and take learning on the road. We are so thankful our students are able to extend their learning in this way. Kudos to our bus drivers and teachers for making this happen. **Parents can help make study trips successful by serving as chaperones when needed and getting permission slips in on time.** Students can help by being good listeners, following bus expectations, and representing Triton with PRIDE. We are grateful to Triton Student Life Foundation for covering the cost of these trips this year for all of our students!
