Dear Triton Elementary Families,

Most of you have by now heard the news that I am retiring June 30. While my heart will always be with Triton schools, I am looking forward to new adventures and more time with my children and grandchildren. The staff at Triton have been my work family for the past 26 1/2 years, and I have enjoyed working with many talented and dedicated educators. I am confident that new leadership will respect and honor Triton's history but also bring new ideas and traditions that will continue to improve outcomes for our students. Most of all, I will miss the smiles and hugs and warm greetings of the students. Being a small part of their learning and growth has been an amazing experience. Thank you for trusting me with your children day by day, week by week, year by year. We are a family, and I am so proud to be a Trojan.

*With Pride,
Mrs. Cook*
