### Health Update

In a building where nearly 600 people co-habitate seven hours a day, five days a week, germs are bound to be shared. Our nurses' office sees plenty of sore throats, headaches, runny noses, and tummy aches each week. Note that if your child is sent home with fever, please don't send them back the very next day. Students should be fever-free for 24 hours without needing pain reliever. Stomach bugs can be tricky. Please use caution when determining how soon to send your child back to school if he/she has been vomiting. Thank you for calling the school by 9:00 a.m. if your child we be absent.

### Spirit Days for February
