Learning is Not JUST FOR KIDS!

Teachers are learners too! Thursday, September 17 is a learning morning for teachers, so school won't start until 10:00 a.m. Students should not arrive before 9:45 a.m. Buses will be delayed 2 hours. **Breakfast will NOT be offered.**

Triton Gives Back

Friday, September 25, all students Prek-12 will be participating in community service projects in an effort to put others over self. It's a great opportunity to help community organizations and individuals. Students will learn about various service organizations as well. We want our students to become adults who care for their community and volunteer to help others. By creating opportunities each year, we hope to achieve this goal.

Please Notify the Office When Your Child Will Be Absent

Regular school attendance is an important part of your child's success. Every day a student is at school is another opportunity to learn, participate, and stay connected with their classmates and teachers. Indiana law requires school-age children to attend school regularly, and schools are required to maintain accurate daily attendance records. Indiana also considers a student chronically absent when they miss 10% or more of the school year, whether those absences are excused or unexcused. We take attendance seriously and want to work with families to help students attend school as consistently as possible. If your child is going to be absent, please contact the **school office rather than contacting your child's teacher directly.** You may:

Call the school office – This is our preferred method of reporting an absence- If you are unable to call, you may send the information through ParentSquare. When contacting the office, please provide your child's name and the reason for the absence. Our office staff, Angie Williamson and Ashley Doll are responsible for receiving and documenting student absences. Reporting directly to the office helps us make sure your child's attendance is recorded accurately and allows us to account for every student in the building each morning.

Daily Unexcused Absence Notifications

Beginning at approximately **10:30 a.m. each school day**, we send a ParentSquare notification to families of students who are currently marked as **unexcused**. If you receive one of these notifications and your child is absent for a reason that should be excused, **please respond to the ParentSquare message** with the appropriate information. Our office staff will review the information and update the attendance record as appropriate.

Thank you for helping us make attendance a priority and for communicating with our office when your child will be absent. Working together helps us keep accurate attendance records and, most importantly, helps ensure that our students are in school and ready to learn each day.
