Triton Gives Back

Friday, September 25, all students Prek-12 will be participating in community service projects in an effort to put others over self. It's a great opportunity to help community organizations and individuals. Students will learn about various service organizations as well. We want our students to become adults who care for their community and volunteer to help others, By creating opportunities each year, we hope to achieve this goal.

These are the activities that the students will be participating in:

Preschool-Students will be making crafts for Veterans. They will also hear from the Police Officers and Firefighters about their careers and listen to a farmer and what activities he does during the day and see some farm animals.

Kindergarten-Students will be making dog treats, watching a presentation by the State Police using police dogs and playing with therapy dogs.

Grade 1-Students will be making crafts for nursing homes. They will also hear from the Police Officer and Firefighter about their careers and listen to a farmer and what activities he does during the day and see some farm animals.
